Beebe Healthcare's charitable mission is to encourage healthy living, prevent illness, and restore optimal health with the people residing, working, or visiting the communities we serve. Our vision is for Sussex County to be one of the healthiest counties in the nation.

For over 100 years, Beebe Healthcare has served the Delaware Beach community and surrounding areas of Sussex County. Beebe's caring hands have been here year after year, providing quality and compassionate care.

As our community has grown, Beebe has also grown from a small family hospital into a large, state-of-the-art healthcare system.

Beebe Healthcare offers family-centered care for mothers and infants, including state-of-the-art labor and delivery rooms, surgical operating rooms, and neonatal nurse practitioners, all in a comfortable environment for your family. As the first Baby-Friendly Hospital in Delaware, we promote a healthy family-child bond from the start.

Beebe Medical Foundation is very grateful for the Dewey Beach Lions Club Foundation's generous support of our future Women's and Children's Health Pavilion, naming a patient room on the unit.
